“Quality service of the highest order. Once used would chose no other”

As purchasers most of our business was conducted through our solicitor. However as the transaction became protracted, the ability to talk to the estate agents gave us an overview of the whole chain and reassured us every thing to secure the property was being done. At no time did we feel we were being a nuisance or worrying needlessly. Our sucessful purchase took 5 months.

“Well done”

An exemplary firm! The staff are all friendly, kind, understanding and go above and beyond. From valuation through to completion all staff couldn't have been more accommodating and helpful, without them the sale would not have progressed to completion before Christmas like all parties wanted. “Definitely recommend”

I would definitely recommend Robert Bell & Co. The whole team are so professional, I felt completely assured that they were working hard on my behalf. From the first visit to do a valuation right through to completion day I couldn't have asked for better service. A dynamic team in a long established company, you don't need to look anywhere else.

“This is a good agent”

Knowing the industry inside out myself I can highly recommend Robert Bell as an agent. I'm moving counties with my family and the staff at Horncastle have been very helpful with our purchase through them. What should have been a simple chain became quite complicated at the point of exchange with additional link plus a change of mind of completion date on the day of exchange by another link. All has worked out in the end. It's all about communication and this agency does that well.
